- Database Management
- Agile Workflows

LANGUAGES

English, Kiswahili

ISAAC NGATHO KARIUKI

SOFTWARE DEVELOPER | IT SPECIALIST

Full-Stack Software Developer with 3+ years of experience building scalable web and mobile applications. Skilled in React, Next.js, Node.js, Flutter, Kotlin, and Python, with a strong foundation in networking (CCNA), cybersecurity, and IT support. Passionate about delivering secure, efficient, and user-focused solutions.

EXPERIENCE

Software Developer (Freelance)

2023 – Present

Self-Employed | Project-Based Delivery

- Architected enterprise-grade web applications using React and Node.js, optimizing workflows and increasing client efficiency.
- Developed responsive, cross-platform mobile apps with Flutter/Kotlin, focusing on performance and material design.
- Integrated secure third-party payment gateways and state management for high application reliability.

IT Support Intern

April 2026

Embu Level 5 Hospital | Kenya

- Maintained 100% network uptime for hospital departments by managing complex hardware and software infrastructure.
- Provided direct technical support for ERP systems and software deployment across medical sectors.
